

## 2019 Bible Reading Plan

*Therefore, since we have so great a cloud of witnesses surrounding us, let us also lay aside every encumbrance and the sin which so easily entangles us, **and let us run with endurance the race that is set before us**, fixing our eyes on Jesus, the author and perfecter of faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God. For consider Him who has endured such hostility by sinners against Himself, so that you will not grow weary and lose heart.*

*Hebrews 12:1-3*

Our goal in 2019 is to run the race God has set before us with endurance. According to this passage in Hebrews the best way to do that is to learn from those who have gone before us, to let go of the things that trip us up (especially sin), and to focus on Jesus. This year we are going to focus on those areas in hopes of becoming more like Christ and running with even more endurance.

This is more than just a Bible reading plan, it is meant to be an endurance builder. As you read the various chapters each day make sure you spend time prayerfully considering the questions. To learn from this great cloud of witnesses we have to read about them, but also take time to hear what the Holy Spirit is saying to us through them. We all will not get the same message, but we will all get what we need in order to be who God wants us to be.

I am looking forward to what God is going to do as we run with endurance in 2019!

In Christ,

Pastor Matt

Sometimes we read the Bible and never really think about what we have read. If you don't have a method of reflecting on what you read give this a try.

**Scripture** – Read the chapters and pay attention to the verses (or thoughts) that sound the most interesting, strange, encouraging, convicting, or the most confusing to you. Write them down, highlight them, circle them – do something to make note of them.

**Observation** – What is happening in the text? What are the people doing? Where are they going? What is God doing? Why are they doing what they are doing? Why are they going where they are going? Why is God doing what He is doing? Spend some time pondering this passage, specifically the areas you have already marked. The point – to slow yourself down and listen to what God is saying.

**Application** – How does this apply to me? How will I be different today as a result of what I just read? How will this help with my endurance – is there a promise I need to hold on to, has a sin been revealed (conviction), is there an encumbrance that needs to be stripped away? This is where endurance is built. We cannot just read the Word, we must apply it and live it. “If you know these things, you are blessed if you do them” (John 13:17)

**Prayer** – Finish your time in the Word with a time of prayer. You can make what you just read your prayer and ask God to apply the things you just learned, to forgive the things you were just convicted of, and to transform the areas that are not like Him.

Simply put...

Scripture – What stands out?

Observation – What is happening and why? What does it say about who God is?

Application – How will I be different today as a result of what I just read?

Pray – Ask God to do whatever needs to be done to increase your endurance.
